SKILLS

- Programming Languages: Java , python basics.
- Frontend developer
- Word
- UI&UX Design
- Git and GitHub

CERTIFICATIONS

- **Aynavil Technologies**
Java Full Stack Development
Power BI
- **Naan Mudhalvan**
IOT Certification
Microsoft Excel ,office, word
- **COURSERA**
Data Analyst

ACHIEVEMENTS

- Won 1st Prize in Inter-College Project Competition
- Our project was shortlisted in YUKTHI (National Innovation Council)among India

HOBBIES

- Video Gaming (Strategy)
- Playing Football (Teamwork & Leadership)
- Book Reading (Fiction and Non-Fiction)
- Exploring Music (Genres and Trends)

LANGUAGES

Tamil,English

EDUCATION

Velammal institute of technology,Chennai — B.Tech Artificial intelligence and Data Science

Expected Graduation : 2025 Current CGPA: 8.26

Montfort matric higher secondary school, tindivanam villupuram district — HSC

Year of passing : 2021

Stream : Biomathematic Marks : 474/600(79%)

Subramania bharathi higher secondary school Thirukkanur ,Puducherry –SSLC

Year of passing : 2019 Marks : 370/500(74%)

PROJECTS

FACE RECOGNITION ATTENDANCE MONITORING SYSTEM

Developed a Face Recognition-based Attendance System that enhances efficiency in attendance tracking by seamlessly integrating with attendance management features. Implemented accurate facial recognition to ensure precise and reliable identification, streamlining the attendance process.

WEATHER APP

Developed a Java-based Weather App with a user-friendly GUI using Swing, fetching real-time weather data via the Open-Meteo API. Integrated JSON handling with the json-simple library to parse and dynamically display temperature, humidity, wind speed, and weather conditions.

MOTORCYCLE ANTI THEFT SECURITY SYSTEM(MASS)

Developed a Motorcycle Anti-Theft System using Arduino Uno and a fingerprint sensor, collaborating as part of a team to enhance bike ignition security. Implemented biometric authentication in C using Arduino libraries and successfully integrated the system to provide a robust and reliable anti-theft solution.

EXTRACURRICULAR ACTIVITIES

- **Member, College Social Media Team**
Assisted in promoting symposium events through social media.
- **Participant, "Screw It" and "Murder Mystery" Events**
Engaged in problem-solving and creative competitions at VEC College.
